By The Numbers

Dear Friends,
Thank you for your kindness, your support and your unwavering belief in the youth of our community.

Because of your support, the Alameda Boys & Girls Club was able to impact more lives, inspire more smiles and laughter, fill more hungry bellies and ultimately provide an environment that fosters long lasting relationships with positive role models that help our youth succeed in life.

Our families and neighborhoods are stronger because of you, but our work isn't done yet. There are still so many Alameda youth that are in desperate need of a safe place to go, where they always feel accepted by caring adults that provide programs and opportunities for a better life.

We urge you to continue working with us as we bring hope and opportunity to those who need us most.
